April 30, 1974

Mr. Weisberg,

Please forgive my tardiness in returning this manuscript to you. Illness, family problems, and my work load have been snowballing.

This book — as well as Post Mortem and your earlier White-wash material — has been invaluable to my research. I deeply appreciate the trust you placed in me — I'm sorry to have repaid you so poorly.

Thank you for all of your help and your kindness.

Sincerely,
Lynda Sell
